EDUCATION

AFAC Junior College, Mumbai, India

GRADE 12TH

Grade 12, HSC | Overall: 80.2% | Mathematics: 96/100 | Information Technology: 89/100

St. Gregorios High School, Mumbai, India

GRADE 10TH

Grade 10 ICSE | Overall: 92.33% | English: 99/100 | Mathematics: 96/100 | Computer Application: 92/100

TECHNICAL SKILLS

Languages: Python, Java, JavaScript, HTML, CSS

Tools & Frameworks: Flask, SQLite, NumPy, Pandas, Matplotlib, Scikit-learn, TensorFlow, Keras, XGBoost, Leaflet.js

Domains: Machine Learning, Data Science, Natural Language Processing, Deep Learning, REST APIs, Cloud Deployment

PROFESSIONAL EXPERIENCE

NeoSOFT Technologies, Software Developer Intern, Mumbai, IN

November 2025 – March 2026

- **Assisted in backend development** for web applications across healthcare and enterprise domains, **working on REST API** endpoints and **SQL database** tasks.
- **Supported debugging** and testing efforts to improve reliability of internal services **under senior developer guidance**.
- **Gained practical exposure to agile workflows**, code reviews, and professional software development practices in a **team environment**.

PROJECTS

InterviewIQ Live Demo | GitHub

October 2025 – Present

Python, Flask, Groq LLM API (LLaMA 3.3 70B), SQLite, HTML, CSS, JavaScript

- Built an AI-powered mock interview platform for job seekers to practice realistic interviews, leveraging Groq LLaMA 3.3-70B with custom prompting across 4 categories and 3 difficulty levels; used by 30+ users.
- Engineered **real-time SSE streaming** with 20 ms latency, a 30-message context engine, **persistent session storage**, an analytics dashboard, transcript export, and **Web Speech API** voice input.
- Deployed on Render via **CI/CD auto-deploy** with 8 RESTful Flask API routes, single-file vanilla JS frontend, on a **zero-cost stack**.

SafeRouteAI Live Demo | GitHub

February 2026

Python, Flask, Groq LLM API (LLaMA 3.3 70B), SQLite, Leaflet.js, Stadia Maps, OpenStreetMap Nominatim

- Built a **community-powered women's safety platform** for Mumbai & Delhi, aggregating **162+ verified incidents** from Mumbai Police, NCRB 2023, and NARI 2025 into an interactive **Leaflet.js map**; used by **20+ active users** who have also independently submitted new incident reports beyond the pre-loaded dataset.
- Integrated **Groq LLaMA 3.3-70B** for instant **AI safety scores (0–100)** with plain-English summaries, while enabling crowdsourced reporting across 5 incident types and one-tap **SOS contacts** (112, 1091, 100).
- Deployed on **zero-cost infrastructure**; integrated OpenStreetMap Nominatim for autocomplete and Stadia Maps for GPU-accelerated map rendering.

OTHER PROJECTS - Additional ML projects on GitHub:

- **Fake News Detector** - Classified **real vs. fake** news articles across **72,000+ samples** achieving **99.5% accuracy**.
- **Image Classifier (CNN)** - **Custom 3-layer CNN built**, classifying 10 categories; achieved **79.21% test accuracy** over 20 epochs.
- **Road Incident Heatmap** - Interactive heatmap visualizing **600 road incidents** across Mumbai & Delhi with real-time severity filtering.
- **BERT Sentiment Analyzer** - **Fine-tuned BERT for binary sentiment classification on IMDB movie reviews**; accuracy – **85.20%**

ACHIEVEMENTS & AWARDS

- **Certificate of Excellence** - St. Gregorios High School; highest scores in **English (99/100)** and **Mathematics (96/100)** in Grade 10 board examinations, recognised among **180+ students** across the school.
- **MLA Award** - Recognised by **Abu Asim Azmi**, Maharashtra state MLA and President of Samajwadi Party Maharashtra, with certificate, award, and tablet for ranking among **top students across the Mumbai region** with 99/100 English, 96/100 Maths, and 92.33% overall.
- **Cricket** - Represented the school cricket team in inter-school and **district-level tournaments** earning multiple certificates and trophies for consistent performance and sportsmanship.
- **Social Service** - Volunteered in **leprosy elimination** and **cancer control & awareness programmes** across two consecutive years, and was recognised for contributing towards care of the needy through school-led public health initiatives.
- **Academic Recognition**- Secured **A+ rank** in the State Championship of the **English Student League**; achieved **4th rank** at state level in the preceding year.

PUBLICATION

- **"LLM-Based Symptom Narrative Extraction for Diabetes Risk Screening in Indian Healthcare Settings"** - Manuscript submitted to **Journal of Engineering and Technology Management**, Elsevier (Scopus-indexed); currently under review, 2026

EXTRACURRICULAR ACTIVITIES

- **Charity Operations (August 2025)** - **Led a large-scale community charity event** from the ground up; managed end-to-end operations including procurement, food preparation logistics, and venue coordination; assigned roles to and supervised **50+ volunteers** to serve meals to **1,000+ people** in a single night.
